REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

What a wonderful first year it was for the students, parents, faculty, and staff members of Burgess Elementary School. Our adventure began when a committee of parents and community leaders met to discuss the naming of the new school, selection of the mascot, and school colors. Our first few months were spent in portables behind St. James Elementary and St. James Middle Schools as construction was completed. How excited and thankful we were to move into our brand new building the week of Thanksgiving and begin classes in the new facility on November 26th. Our families and community members were proud, too, as over 1,000 came out to help us celebrate at our Grand Premier event in December. We are happy to be a part of such a wonderful community school with a rich heritage of parental involvement and community support.

At Burgess Elementary School, we strive daily to move each and every student to higher levels of learning. With our use of the Northwest Evaluation Association's Measures of Academic Progress (MAP), we continually studied strengths and weaknesses of each child in grades kindergarten through five and charted individual courses of success. We analyzed where our students showed growth, why the growth occurred, and utilized research-based curriculum and instruction decisions so all of our children were academically challenged. In addition we closely monitored our primary children's instructional reading levels through the Diagnostic Reading Assessment (DRA). Combined with daily progress, teacher observation, and student work, we made decisions as how to best meet our students' needs. We also focused on science and social studies in the elementary grades by monitoring student success each quarter through the Scholars Tests.

Civic, personal, and social responsibilities are also priorities at Burgess Elementary and were taught through classroom guidance lessons, service learning projects, and a weekly lifeskill focus. Our March of Dimes campaign raised more than \$10,000, and we were awarded Top New Team in Horry County. We were also honored as a three-time division winner for our recycling efforts in the Talkin' Trash program. Our school participated in the Salvation Army Canned Food Drive, Myrtle Beach Family Fun Run, and American Heart Association's Jump Rope for Heart.

The success of any school requires the support of an active PTA, faithful volunteers, generous business partners, and involved parents. This year's PTA sponsored many programs including the fall festival and basket auction and raised funds to purchase additional supplies and materials for our school. Our volunteers included parents, grandparents, community members, and St. James High School students who served as mentors and tutors, chaperoned study trips, and worked during field day events and other school-wide activities. Our business partners supplied student and staff incentives. Parents and community members also joined with us in the development of our Burgess Community Museum. Burgess Elementary School....simply the BEST!
